Love Field is 35 miles from TCU. Shuttle, taxicab and car rental services are available at the terminal.

Airport Shuttle

Super Shuttle is available to or from the D/FW Airport. They may be reached by calling 800-BLUE-VAN or 817-329-2000. No reservations are required from the airport, however, for trips to the airport, reservations are necessary. Reservations from the airport can be made at the Super Shuttle phone in the terminal. Shuttles depart every 30 minutes (approximately) from D/FW Airport. Return arrangements must be made two hours prior to a desired pick-up time.

Rail Service

The Trinity Rail Express links the D/FW Airport with Fort Worth's T&P Station. For more information, visit www.trinityrailwayexpress.org/dfw.html.

Taxis

Allow 45 minutes for the trip from D/FW Airport to TCU.

Driving to TCU

TCU is located four miles southwest of downtown Fort Worth on University Drive.

From the D/FW Airport, follow the South airport exit. Take 360 South to Arlington. From 360 follow signs to I-30 West to Fort Worth. Travel through to Fort Worth (past Six Flags and the Ballpark). Travel through downtown and exit University Drive South. TCU is 2 miles from the Interstate.

From the north or south, take I-35 West to I-30 West. Travel through downtown and exit University Drive South. TCU is 2 miles from the Interstate.

From the west or east, exit I-30 to University Drive South. The campus is about 2 miles from the Interstate.

- Continuing south on **University**, approaching the top of the hill, **turn right at the light onto Cantey**.
- Go west on Cantey two blocks to the stop sign at **Stadium Drive and turn left**.
- Drive south on Stadium Drive one block to the three way stop sign in front of the University Union and Dee J. Kelley Alumni and Visitors Center, and **turn right into the Visitors Center's parking lot**.
