Score Reports

Scores are available online and by phone several weeks after the test date. Official score reports are mailed about five weeks after the test. Some scores may take longer to report. Visit www.collegeboard.com for a list of approximate score availability dates.

Take advantage of your full score report! Remember:

- Every time you send scores to a college or university, you and your counselor will see information about that institution matched up to your personal preferences on your score report.
- Your online score report provides important information to help you improve your scores. You'll also have access to majors lists and career planning ideas that fit your personal profile as well as suggested college matches based on your interests.
